Tuesday
4 July 2023

13:00 - 15:00

VR Corner:
Explore our solar system via Mitaka

The DiSTARS storytelling platform

Wednesday
5 July 2023

15:00 - 17:00

Promoting spatial thinking through Earth Observation Tools - ISS resources for Education
Dr. Angelos Lazoudis
&
Dr. Loukas Katikas
Ellinogermaniki Agogi

Thursday
6 July 2023

11:45 - 13:00

Workshop: Visit to the AOUDA Spacesuit Lab in Innsbruck
Dr. Gernot Groemer
OeWF

15:00 - 15:30

The DiSTARS educational approach
Dr. Angelos Lazoudis
Ellinogermaniki Agogi

15:30 - 16:00

The DiSTARS storytelling platform (demo)
Nikos Papastamatiou
OMEGA SA

16:00 - 16:30

DiSTARS Educational Resources
Dr. Seda Özdemir-FRITZ
OeWF
&
Dr. Gustavo Rojas
NUCLIO

16:30 - 17:00

Exploring the Intersection of Creativity and Critical Thinking in DiSTARS
Dr. Catherine Conradty
University of Bayreuth

17:00 - 18:00

VR Corner:
Explore our solar system via Mitaka

The DiSTARS storytelling platform

Friday
7 July 2023

13:00 - 15:00

VR Corner:
Explore our solar system via Mitaka

The DiSTARS storytelling platform
